Process description

Service requests

E-mail

- the customer sends the documents to the e-mail address of the State Plant Protection Service or to the official electronic address
- documents must be signed with a secure electronic signature

Mail

- Customer sends documents by mail

In person

- customer arrives at the State Plant Protection Service and submits documents

The following documents shall be attached to the application

- a report of the testing of an accredited laboratory indicating the content of undesirable impurities in accordance with Annex 3 to Cabinet Regulation No. 506, Regulation No. 01.09.2015

- a copy of the test report on the safety of detonation of an ammonium nitrate fertiliser with a nitrogen content exceeding 28%
- Information on the lot number and quantity of the fertiliser
- a sample of the labelling or labelling text with information in Latvian according to Section 506 52 of Cabinet Regulation No. 01.09.2015
- List of sales sites

The State Plant Protection Service shall:

- review the documents submitted;
- take a decision regarding the issuance of a permit for the importation and marketing of a specific batch of a fertiliser, if the batch of the fertiliser does not comply with the quality requirements referred to in Annex 1 to Regulation No 506 of the Cabinet.

Payment of state fee

Prior to receipt of the service, the State fee of EUR 71,14 shall be paid in accordance with Section 4.6 of Cabinet Regulation No. 83 of 30 January 2007, Regulations regarding the State fee for registration of a fertiliser and substrate or receipt of a permit for the importation or marketing of a fertiliser and substrate, as well as the procedures for payment thereof.
