Description:

Time limit for the submission of a request - without limitation
Time limit for receipt of the service - within 15 working days after receipt of all necessary documents

Description:

A person who has been issued a permit for the introduction of a fertiliser and substrate for testing and registration, and the imported fertiliser or substrate of which does not comply with the quality requirements specified in Annex 1 to Regulation No 506 of Cabinet Regulation No. 01.09.2015.

Get a service

On-site

A permit for the testing and registration of the relevant batch of the imported fertiliser and substrate, if the imported fertiliser or substrate does not comply with the quality requirements referred to in Annex 1 to Regulation No 506 of the Cabinet No. 01.09.2015, shall be issued if the quantity of dangerous impurities does not exceed the maximum permissible concentration of undesirable impurities.

The State Plant Protection Service shall:

- review the documents submitted;
- take a decision regarding the issuance of a permit for the marketing of the relevant batch of the imported fertiliser and substrate for testing and registration, if the imported fertiliser or substrate does not comply with the quality requirements referred to in Annex 1 to Cabinet Regulation No. 506, Regulation No. 506, in accordance with the test results.
