Person importing an unregistered fertiliser or substrate for the purpose of registration after importation

Get a service

On-site

A permit for the introduction of a fertiliser and substrate for testing and registration shall be issued if the fertiliser and substrate are referred to in Annex 1 to Regulation No 506 of the Cabinet 01.09.2015, but not registered.

The State Plant Protection Service shall:

- review the documents submitted;
- decide on the issue of an authorisation for the introduction of a fertiliser and substrate for testing and registration.
