Description:

Deadline for requesting a service - No limit
Time limit for receipt of the service - within 15 working days after receipt of all necessary documents

Description:

Person producing or importing:

- a fertiliser not referred to in Annex 1 to Regulation No 506 of Cabinet No. 01.09.2015 which does not bear the EC label in accordance with the requirements of Regulation No 2003/2003
- substrate not referred to in Annex 1 to Regulation No 506 of Cabinet Regulation No. 01.09.2015

Get a service

On-site

An authorisation for the importation or marketing of such fertiliser and substrate, which is not referred to in Annex 1 to Regulation No 506 of the Cabinet of Ministers, shall be issued if the fertiliser and substrate do not comply with the requirements of these Regulations, but is not hazardous to human and animal health and the environment.

The State Plant Protection Service shall:

- review the documents submitted;
- take a decision regarding the issue of a permit for the importation or marketing of such fertiliser and substrate, which is not referred to in Annex 1 to Regulation No 506 of the Cabinet of Ministers on 01.09.2015.
