Get a service

On-site

In order for a person to engage in activities with plant protection products of the first and second registration classes (sale, purchase, use of plant protection products, as well as advice to purchasers), he or she must successfully complete a written examination and obtain an appropriate certificate:

- a professional plant protection product user's certificate for activities with plant protection products of the first or second registration class;
- the operator's certificate for the use of plant protection products in the second registration class for plant protection products;
- a plant protection consultant's certificate;
- Certificate of the seller of plant protection products.

Process description

Service requests

E-mail

- Customer sends documents to pasts@vaad.gov.lv or official electronic address
- documents must be signed with a secure electronic signature

Mail

- Customer sends documents by mail

In person

- the customer arrives at the State Plant Protection Service or its regional department and submits documents

Documents to be submitted

If the issuing of a certificate is carried out at the training provider:

- application for a certificate in the field of plant protection (on the form)
- Photograph 3 x 4 cm

If the issuance of a certificate takes place in the State Plant Protection Service after training:

- application for a certificate in the field of plant protection (on the form)
- Photograph 3 x 4 cm
- a statement issued by the training provider regarding the hearing of the relevant training course

If the issuance of a certificate takes place in the State Plant Protection Service without training:

- application for a certificate in the field of plant protection (on the form)
- Photograph 3 x 4 cm
- a copy of the educational document certifying that the applicant has adequate training for obtaining a certificate without training

The State Plant Protection Service shall:

- organise knowledge tests (with or without training) and issue certificates for activities with plant protection products:
 - professional users of plant protection products working with plant protection products of the first registration class;
 - professional users of plant protection products working with plant protection products of the second registration class;
 - operators of plant protection products;
 - sellers of plant protection products;
 - plant protection consultants;
- decide not to issue a certificate if the person has not successfully passed the examination.

Payment for service

The service must be paid in accordance with the invoice of the State Plant Protection Service, which has been issued on the basis of Annex 2 to Cabinet Regulation No 493 of 12 July 2012, Schedule of State Plant Protection Service Charge Services (see section "Other information" - "Regulatory enactments")
