Description:

Data to be submitted by 31 January for the preceding year

Description:

- person producing and importing fertilisers and substrates
- person preparing mixtures of fertilizers

Get a service

On-site

The manufacturer, packer and importer of fertilisers and substrates, as well as the preparation of mixtures of fertilisers, shall submit to the State Plant Protection Service the information regarding the fertiliser products manufactured or imported for sale (with or without the EC labelling) and substrates or prepared mixtures of fertilisers manufactured or imported for sale in the previous year.

The State Plant Protection Service shall accept and compile the submitted information.
