Description:

Time limit for the submission of the request - without limitation. If the State Plant Protection Service has not informed the person within a period of one month after receipt of all the information regarding registration or refusal to register, deletion or refusal to delete, the person shall be deemed to have been registered in the register of collectors of vegetable varieties or deleted from the register, in application of the default referred to in Section 14 of the Free Delivery Service Law

Description:

Person who has obtained seed in Latvia for at least one year in his or her vegetable variety collection

Get a service

On-site

The register of collectors of vegetable varieties must be registered with a person cultivating and distributing the seed in his or her vegetable variety collection.

The State Plant Protection Service shall examine the documents submitted, take a decision regarding:

- the registration of a person in the register of collectors of vegetable varieties of the State Information System for the Monitoring of Plants;

Or

- making amendments to the register;

Or

- the removal of a person from the register.
