On-site

A plant protection product may be distributed and used if it is included in the Latvian Plant Protection Products Register or a permit has been issued for its parallel trade. A permit for parallel trade of a plant protection product shall be issued if it has been approved in a Member State of the European Union (the Member State of origin) and the composition is identical to the plant protection product included in the Register of Plant Protection Products of Latvia (the reference product).

Process description

Service requests

E-mail

- Customer sends documents to pasts@vaad.gov.lv or official electronic address
- documents must be signed with a secure electronic signature

Mail

- Customer sends documents by mail

In person

- customer arrives at the State Plant Protection Service and submits documents

Documents to be submitted:

An application in which the following information shall be indicated:

- the name and registration number of the plant protection product in the Member State of origin
- Member State of origin
- the name and address of the authorisation holder in the Member State of origin
- the name and address of the applicant

- the name to be granted to a plant protection product to be distributed by means of an authorisation for parallel trade
- draft labelling of the product to be placed on the market
- the name and registration number of the reference product

The State Plant Protection Service shall:

- review the documents submitted;
- decide on the issue of a permit for parallel trade of a plant protection product.

Payment for service

The service shall be paid in accordance with the invoice of the State Plant Protection Service, drawn up on the basis of Cabinet Regulation No. 493 of 12 July 2012, Schedule of State Plant Protection Service Charge Services, Annex 2, paragraph 61 (see section "Other information" - "Regulatory acts").
