Process description

Service requests

E-mail

- Customer sends documents to pasts@vaad.gov.lv or official electronic address
- documents must be signed with a secure electronic signature

Mail

- Customer sends documents by mail

In person

- customer arrives at the State Plant Protection Service and submits documents

The application must be accompanied by a copy of the document certifying the place of origin of the harmful organisms, plants, plant products and objects in contact with them intended for testing or scientific purposes and varietal selection.

The State Plant Protection Service shall:

- review the documents submitted;
- assess the risk of spreading the harmful organism and take a decision on the application of appropriate phytosanitary measures;
- when a person has completed the phytosanitary measures, check the conformity of premises and facilities with the specified phytosanitary measures, as well as the scientific and technical qualifications of the personnel;
- after carrying out checks, a decision shall be taken regarding the issue of an authorisation for the importation or movement of harmful organisms, plants, plant products and objects in contact with them, determining the amount of material necessary for carrying out tests.

Payment for service

The service is to be paid EUR 24,19 (per installation) in accordance with the invoice of the State Plant Protection Service, issued on the basis of Regulation No 493 of the Cabinet of Ministers of 12 July 2012, "Price List of State Plant Protection Service Charge Services", Annex 2, paragraph 16 (see section "Other information" - "Regulatory enactments")
