Description:

Time limit for submission of the request - without limitation, while the plant protection product is on the list of plant protection products registered in Latvia Time period for receipt of the service - within one month after receipt of all documents, the State Plant Protection Service shall take a decision regarding the making of changes to the registration certificate and shall notify it to the current and future owner of the registration certificate

Description:

Owner of registration certificate for a plant protection product

[Get a service](#) [On-site](#)

When registering a plant protection product, a registration certificate for a plant protection product shall be issued, in which the given name and surname of the holder of the certificate shall be indicated.

In order to transfer the registration certificate to another person during the term of validity of the registration certificate, the current owner of the registration certificate shall submit a relevant submission to the State Plant Protection Service.

The State Plant Protection Service shall:

- review the documents submitted;
- take a decision on the change of the holder of the registration certificate for a plant protection product and issue a new registration certificate;
- make appropriate amendments to the Register of Plant Protection Products.
