On-site

De minimis is State aid which is not considered to be anti-competitive and may be paid on simplified terms.

In the agricultural sector, the State Plant Protection Service shall, within the framework of de minimis aid, provide services to persons registered in the Register of Seed Growers and Seed Traders in the “Aid for the Preparation and Use of Quality Seed” measure.

The fee specified in the regulatory enactments regarding the price schedule of payment services provided by the State Plant Protection Service shall not apply to the services provided within the framework of the measure. For the list of subsidized services see <http://www.lad.gov.lv/lv/atbalsta-tipus/State-aid/State-aid-types/17-ai...>

In order for a person to receive de minimis aid in the measure “Aid for the preparation and use of quality seed”, an application must be submitted to the State Plant Protection Service.
